**North Orange County ROP (93)**

***Orange County ROP Administrators***

## **ACSA REGION 17**

### **ROLES & RESPONSIBILITIES**

### **CHARTER PRESIDENTS**

Charters in Region 17 (Orange County) are essentially the Leadership Teams in each of our 28 school districts; ROP; and the Orange County Department of Education.

Charter Presidents are the Presidents/Chairs of their Leadership Teams.

The role of the Charter President is to:

- Facilitate the communication and implementation of State ACSA and Region 17 programs. Such programs include Administrator of the Year; Every Student Succeeding; Region Network Night; Women's Leadership; Region conference; scholarship opportunities for members to attend ACSA academies and further their education; and other professional development opportunities.
- Distribute materials such as Region newsletters, membership applications, information about recognition programs, Legislative Action Day in Sacramento, etc.
- Attend Region 17 Leadership Forums twice yearly. Leadership Forum is the Region's legislative body. All Charter Presidents are delegates with voting rights and responsibilities on Region 17 issues and are often asked to provide input on State ACSA issues. Such issues in the past have been the \$1,000,000 liability insurance; dues rebates (funding that comes back to the Region from State ACSA); positions that the Region wants State ACSA to take regarding legislation, strategic planning, etc. In addition, attendees at Leadership Forum meetings conduct routine Region business, including approval of the Region budget and calendar.
- Act as liaisons between the Region and other governmental and professional agencies and groups involved in public education.
- Encourage networking opportunities for Charter members sponsored by Region 17. These include informal regional gatherings, dinner meetings co-sponsored with Orange County School Boards Association, and workshops on career advancement and leadership held just prior to those dinner meetings.
- Participate in and recommend activities to further the collegiality of Orange County administrators; promote membership; improve communication; enhance participation in State and Region events and leadership opportunities.
- Submit one article from your charter for the newsletter (see calendar for Newsletter article deadlines).
